SIR,

The Government of India state that a limited number of Air Raid Precautions Propaganda films are now available and more are likely to come forward in the near future. In British India these are being distributed through the Film Advisory Board to establish cinema houses and to a limited extent are being shown to the public by means of Mobile Cinematograph Projector (35 mm.) Vans.

2. In view of the cost which a Mobile Van entails and in view of the fact that there is at present no need to emphasize the necessity for Air Raid Precautions measures in any but the classified towns, distribution to existing cinema houses is the most suitable arrangement. Only in cases where classified towns have no cinema facilities is it considered necessary to contemplate the purchase of Mobile Units.

3. With a view, therefore, to make such films available to cinema houses in the M y s o r e S t a t e, I am to request that this Residency may kindly be informed of the names of such cinemas in the State which would wish to be linked with the Film Advisory Board organisation for distributing Air Raid Precautions propaganda films. At present films are available with sound tracks in Bengali, Hindi, Tamil, Telugu,

Hindustani.

Hindustani and English and in the case of each cinema it may kindly be stated in which language they would wish the sound track to be.

4. It is possible that the Government of Mysore may consider the purchase of a complete Mobile Projector (35 mm.) Unit and should this be the case the Government of India state that such a Unit could probably be made available at a cost of approximatel Rs.16,000. Some difficulty is at present being experienced in obtaining new sets but some dozen second-hand Units may be available at the slightly reduced figure of Rs.11,000 each.

5. This Residency may kindly be informed, in due course of the requirements of the Government of Mysore in this regard and every effort will be made to meet them.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.
